Help Available—Gas & Electric

Unity in Community will be providing vouchers to help towards paying for gas and electricity. To qualify you must pay for your energy through a prepayment meter and have not received energy vouchers from Unity in Community within the past 12 months. This is in response to the ongoing cost of living crisis and beneficiaries can be working, unemployed, self-employed or retired. For more information and to register call 01482 420836, Monday to Friday, 9am-3pm—if busy, please keep trying.

When calling to register you must have the following information available:

- email address
- Approximate meter balances

Please note—This is a self-referral process and does not require any referral from school. If you meet the criteria above, do not hesitate to call and register!

Walk to School

As part of our Walk to School scheme, we are excited to introduce our very own Walk to School Teddy! We hope the teddy will enjoy lots of wonderful journeys around the local area with our children.

Each week, we will choose a Class of the Week based on various aspects of the Walk to School initiative. During the following week, teachers will then select one child each day to take the teddy home. The teddy should be brought back the next day along with a photo of the teddy on the child's journey.

All photos should be emailed to the school at enquiries@castertonprimaryacademy.co.uk, and we will proudly showcase the teddy's adventures.
