Ramadhan

With Ramadhan approaching we know some of our children will want to fast. As a school, we recommend that our children do not fast, especially the younger children, due to many reasons mainly being the supervision of the children at lunchtime and the impact fasting has on them.

However, any Year 5 or 6 child who does fast, parents will be required to collect them at 12.15pm and return for the afternoon session at 1.00pm. If your child is in Year 5 or 6 and you still would like them to fast, please write a letter to school informing us of your decision.

We would like to wish all our muslim families Ramadhan Mubarak.

CGP SATS Revision Books

For our Y6 children, the CGP revision books are now available to purchase via Parent Pay. The deadline to order books is Monday 9th March 26. An order will then be placed for the revision books and they will be sent home with the children.

World Book Day

We will be celebrating World Book Day on Thursday 5th March 2026. We will **not** be dressing up children are to come to school in their school uniform but they will take part in various class activities to share our love of reading.

Family Autism Service (FAS) fact sheet

Supporting families across Pennine Lancashire

The Family Autism Service (FAS) is here to support families across East Lancashire and Blackburn with Darwen who have children or young people diagnosed with, or being assessed for, autism. We offer a range of support from sharing information to providing one-to-one help so you can choose the level that feels right for you.

Welcome to the Family Autism Service

When a referral is received, one of our team will get in touch to offer a friendly welcome call. This call is an opportunity to introduce the service, confirm the level of support you've chosen, and explain how to make the most of what's available. It's also a chance to ask any questions and find out more about how we can support your family. We're here to help you feel confident, connected, and supported as your family moves forward.

Tier 1 - Information & Guidance

Get helpful information to point you in the right direction when you need it. Good for families who want to stay informed and find support in their own time.

- Monthly email with updates on new offers and workshops
- Signposting opportunities with tips and advice
- Posts on social media with ideas and information for families

Tier 2 - Groups, Workshops & Activities

Join friendly groups and activities to connect with other parents and carers. Good for families who enjoy being part of a community, want to meet new people, and learn alongside others.

- Parent support groups (online and face-to-face)
- Workshops on topics like behaviour, anxiety, and sleep
- Family activity sessions
- Help connect you with other services when needed

Tier 3 - One-to-One Support

This is a responsive form of support, available for families to access as needed rather than a set amount of sessions. Good for families who'd like some extra help to make changes and move forward.

- One-to-one support with a worker who understands your family's needs
- Support to identify strategies and next steps that best meet your family's needs
- Help connect you with other services when needed

Please note we do not offer one-to-one support directly for the child or young person.

Workshops

Join friendly groups and activities to connect with other parents and carers. Workshops are available both online and in person, offering flexibility for busy families. Sessions cover a variety of topics to help you build confidence and understanding at your own pace.

How to Access Support

Referrals can be made by parents, carers, schools, or professionals.

Once we receive your referral, we'll contact you for a short welcome call to introduce the service, confirm your chosen level of support, and explain what happens next.

Please note we do not offer one-to-one support directly for the child or young person.
