Curriculum Overviews

This half-term's curriculum overviews are available for parents/carers on our school website. These overviews will inform you what your child will be learning this half-term. Please do take a look at these and support your child by asking them about their learning and spending a bit of time trying to learn some key facts about the topics.

These can be accessed via the school website on the Class Information tab or by clicking the link below:

Uniform
