

English

We will be learning to write our own traditional tale with a twist. The children will develop their sentence writing skills to include a range of interesting vocabulary (adjectives and verbs) and use different joining words.

Recount Letters

We will write letters using past tense to tell others what we have been doing at school.

Class Story time:

A range of traditional tales with a twist.

Science

Why are objects made from different materials?

We will learn to recognise everyday materials and describe their properties. We will sort and group objects and materials according to their properties and carry out simple investigations.

Maths

Place Value

We will be working on:

Understanding the place value of numbers to 100 including partitioning numbers into tens and ones.

Counting in steps of 2,3, 5 and 10.

Reading and writing numbers in words and numerals to 100 and comparing and ordering numbers.

Addition and Subtraction

Recalling number bonds to 10 and 100.

Adding and subtracting from and across 10, find 10 more/10 less.

Geography

What could we do to improve our school grounds?

We will learn to recognise local geographical features, devise simple maps and carry out fieldwork within the school grounds.

Curriculum Enrichment

Exhibition of the children's art work.

Class 2SR

Autumn 1

Curriculum

RE

Does how we treat the world matter?

We will learn about the Christian story of creation and how this fits with ideas about caring for the planet and what we can do to care for our planet.

Music

Superhero Sounds!

We will explore tempo and pitch to tell a story and create their own group superhero themes music.

PSHE

What makes a good friend?

We will learn how to make and sustain friendships. We will learn what makes a good friend and how to recognise when they feel lonely and what to do about it. They will learn how to resolve arguments and support

Computing

Online Safety

We will be exploring how to keep ourselves safe online including how to set passwords and safe sharing of information. We will learn what to do if someone makes them feel sad, worried or uncomfortable online and who we can go to for help.

PE

Athletics– Developing skills in running fast and jumping for distance.

Fundamental Skills– Developing skills in catching and rolling a ball for accuracy.

Art

Lovely Landscapes

We will learn to mix colours, explore different painting implements and create our own landscape paintings.

We will be looking at the work of artist Georgia O'Keefe and use this for our inspiration.
